A LEADING MANUFACTURER, SUPPLIER AND EXPORTER OF RECLAIM RUBBER & CRUMB RUBBER

## **ABOUT COMPANY**

DASHMESH GROUP (DR) as a brand made its inception in the year 2005 through its founder Shri. Rajendra Singh Popli and his son Shri. Amritpal Singh Popli.

Initially the Group indulged in manufacturing of Rubber Crumb Powder by the name of A.K Rubber (A.K.R) situated at Daman U.T, India & by 2008 the Group expanded its wing to form another manufacturing plant by the name of Dashmesh Rubber Products (D.R.P) manufacturing Whole Tyre Reclaim Rubber located in Sarigam, Gujarat, India.

During 2010, Modern Technology equipped with total in-house operations & Trained Professionals enabled the Group to further their expansion which led to the birth of DASHMESH RUBBER INDUSTRIES PVT LTD (D.R.I.P.L), the group's 3rd manufacturing plant located at Sarigam, Gujarat, India. The expansion also helped the Group to increase production capacity & explore various range & grades of Reclaim Rubber Sheet -1500 MT p.m. (manufactured in DRIPL), Rubber Crumb Powder in 30mesh, 40mesh, 80mesh, 100mesh & 120mesh - 5000 MT p.m. (manufactured in AKR & DRP) & Rubber Chips ( Mulch ) -10000 MT p.m. manufactured in DRP).

We manufacture only REACH COMPLIANCE products and we proudly promote and support the GO GREEN initiative by recycling and reusing all the waste produced again in manufacturing process thus generating ZERO waste.

### **OUR VISION**

To create an image for "Dashmesh Group" as a global brand that evokes a sense of Awe, Trust and Inspiration by setting new standards for the design and development of rubber and relatable products.

### **OUR MISSION**

To promote Initiative, Innovation & Teamwork by providing Recyclable, Premium quality & Cost-effective products. Expand ourselves into eco-friendly ventures that will enable us to conserve resources, attain market leadership & generate substantial employment there by providing consistent value to our business partners, employees and our nation.
